Dear Parent/ Guardian:

On Saturday, March 4th and Saturday, March 11th, we are planning *optional* ski days for Grade 9-12 students. Both Lake Louise and Sunshine have offered an excellent rate for our students and we have done our best to keep costs as reasonable as possible. We certainly do not want funding to be a barrier to participation, so as always, please call the office if you need assistance in this manner.

All students **MUST wear an approved ski/snowboard helmet** for the duration of the day. Students who do not own a helmet will be expected to rent one from the resort. Due to the insurance coverage restrictions of the School Board, students are **NOT allowed to ski or board in the terrain parks** at the hill.

Students will be leaving the school at 6:00 a.m. (arrive at the school by 5:45 a.m. please) and return to the school by 8:00 p.m. Bussing will be provided for all students. **Students MUST travel to and from the school via the buses provided.** If a parent is picking up their child(ren) from the ski hill, they must advise a supervisor and attend to the necessary paperwork **before** they leave the hill. **Parents may only provide transportation for their own child.**

Here are a few information items to be aware of:

- Students are responsible for their own lunch at the hill. A full service cafeteria is available, though costly. A bag lunch is recommended.
- Students are advised NOT to bring large amounts of money or valuables to the ski hill
- Student equipment will be transported to and from the hill via a separate truck.
- Students need to be dressed appropriately: warm winter jacket, snow pants, warm, water-proof mitts or gloves (not knitted). No scarves please!
- Students MUST ski/ snowboard within the ski area boundaries at all times and to follow the resort's Code of Conduct.

Students who wish to participate in this field trip must complete the attached payment form and consent form, with **payment due to the school by Feb 27th, 2017.** Cheques are to be made **payable to WCCHS.**
