Quick question for YOU, LRSD parents!

Depending on parent interest, we would like to host an evening event at J.T. Foster High School in Nanton during the first week of June called “IT DOESN’T GROW ON TREES! - Post-secondary school financing explained”.

We will share information about RESPs (Registered Education Savings Plans), Alberta Student Loans and Grants, Scholarships and LRSD specific student awards...plus dinner will be provided! This event is sponsored by Stavely FCSS and the Community Foundation of Lethbridge and Southwestern Alberta.

If you are interested or would like more information - [Complete this simple form](#) Thanks!

Making plans for Summer 2025?

Here are some ideas to explore!

FACES Experiential Education Program - Now registering for second and third year programming. All first year sessions are now full but you can be placed on the waitlist.

LRSD Summer school (July 2-30) Why not get ahead of the game and complete a high school course (online) during the month of July...Your future self will thank you!

RAYEC - August 10 - 16, 2025, Eagles Nest Ranch, Alberta. This is a FREE summer camp for entrepreneurial youth aged 13 - 15.

HOWL “Summer CALM Peaks” - (one week in July or August) - Earn 6 high school credits, including CALM (Career and Life Management) while exploring our Alberta rockies and discovering new career opportunities!

Global Summers Academy This Ontario high school program offers students an opportunity to complete an Alberta equivalent academic course in grades 9 through 12 in another country...in just 3.5 weeks!

Many post-secondary schools offer day (and overnight in some cases!) camps for junior and senior high school students. Check out the unique summer camp offerings at Lethbridge Polytechnic, University of Lethbridge, SAIT, AU Arts, Red Deer Polytechnic to give you some ideas!

Dual Credit Course Updates

It’s not too early to select dual credit courses for the 2025 - 2026 school year!

LRSD has agreements with both Lethbridge Polytechnic and Olds College for students to gain high school AND post-secondary course credits while they complete a course through one of these fine institutions! Check out the new course lists on the DUAL CREDIT webpages.
